

ELECTRICAL ENGINEERING (EE) - EVENING PROGRAM SCHEDULE (All concentrations)

NOTES:

- This flowchart indicates which EE courses are guaranteed to be offered in the evening for all concentrations: EE (Machinery & Communications) and Computer Engineering.
- More evening courses than the ones indicated in this schedule may be offered during Fall and Spring semesters.
- Additional evening courses may be offered in the Summer semester.
- ENEE Electives may have prerequisites which are not indicated in the flowchart, since these prerequisites depend on the particular elective offered.
